IMPORTANT INFORMATION

- Athletes must be ready to compete in the warm-up area at least 30 minutes before the time scheduled for their category on the timetable.
- It is compulsory to be accompanied by an official identity document throughout the event.
- The official weight measurement for this event is KILOGRAM.
- This event is governed by the official SJJIF weight chart for events with and without a gi.

Refund policy:

The entry fee is non-refundable.

Exception: Athletes who are alone in their categories are eligible for a full refund if they contact the FJJP and ask for their name to be withdrawn from the competition.

This request by email must be made by the final check-in time for the event.

Others:

- Athletes who place 1st, 2nd or 3rd will receive a medal. Medals are handed out on the event podium.
- Each academy can only have 2 athletes per category (per academy/age group). If an academy has more than two athletes registered per category, their teacher must make the correction by the teachers' correction deadline so that different teams (A, B) can be created for the same academy. This rule does not prevent the athlete from registering for the event.

- Any false information given during registration, such as date of birth or any other, may lead to immediate disqualification. These actions are subject to suspension or even permanent exclusion from future SJJJ events.
- If you are alone in your bracket, you can contact us up until the day of the general check and request a change to your entry. The FJJJ does not guarantee that the division you move to will have any athletes on the day of the competition.
- We try to accommodate as many athletes as possible at our events, but there is a limit of athletes to guarantee a good quality event.
- The FJJJ reserves the right to close registration when maximum capacity is reached or on the closing date, whichever comes first.
- It is the responsibility of each athlete to be aware of the rules of the event.
- We strongly recommend that athletes complete their registration before making any travel arrangements.
- Before each fight, the athlete must present an official photo ID to the coordinator
